

# PPE Safety Coach Community of Practice (CoP)

## Summary January 31, 2023

At the PPE Safety Coach CoP, knowledge and experience sharing amongst coaches is welcomed and encouraged. Coaches come together from across the province to discuss and learn from the experiences of others with the same professional interest.

This document summarizes key learnings shared with the coaches to help support the coaching process. Coaches are encouraged to review the key learnings (takeaways) from the sessions if they are unable to attend.

Topic	Summary & Key Learnings
<b>Jeopardy-style Learning Activity</b>	<p>Most of the session was spent going through a Jeopardy-style learning activity with those that were able to attend. This was done using PowerPoint to create a unique way to engage with the audience and provide another opportunity for coaches and designate to learn and share information about the AHS Provincial PPE Safety Coach Program. The group received a large amount of positive feedback about the game and the AHS Provincial PPE Safety Coach Program will explore the idea of doing this type of activity again as well as other types of activities.</p> <p>If you would like to receive a copy of the Jeopardy-style learning activity, email <a href="mailto:ppesafetycoach@ahs.ca">ppesafetycoach@ahs.ca</a>.</p>
<b>Q &amp; A</b>	<p>Several questions about the use of a unique identifier (e.g. name tag, badge, ID, etc.) that identifies an individual as a PPE Safety Coach. Several examples were shared from various sites throughout the province. The AHS Provincial PPE Safety Coach Program will explore options and report back to trained coaches when more information is available.</p>
