

Upcoming Hand Hygiene Forums

If you have any questions or comments regarding this information, email the Infection Prevention & Control Hand Hygiene Program at: hand.hygiene@ahs.ca

The Infection Prevention and Control Hand Hygiene Program hosts forums – or provincewide information sessions – for users of the Clean Hands System.

These information sessions are designed to connect the hand hygiene community and provide a platform for informal and interactive discussions. Please come with your comments, suggestions and questions.

Note: Online Zoom registration is required. You will receive a confirmation email after registering.

Important: Save the confirmation email and add the registration to your calendar.
