

This tool is intended to provide a quick visual cross reference between the Continuing Care Health Service Standards (CCHSS) and Alberta Health Services (AHS) policies, procedures, and Infection Prevention & Control (IPC) Resources and Best Practice Guidelines. These documents provide practice direction to support Continuing Care Operators in complying with the CCHSS. Please note some documents are only available on the Continuing Care Desktop (CCD) at www.ccdweb.ca. For questions on this resource please email CCHSS@AHS.ca.

Contracted Service Providers: Contracted Service Providers are welcome to adopt AHS documents or reference AHS documents when developing organizational policies. Please refer to the Service Agreement and appropriate Schedule to identify which Alberta Health Services policies are required to be followed.
