

# Pacing for People with Chronic Pain

Learn about how pacing is an important tool in managing the relationship between energy levels and chronic pain. This class led by Occupational Therapists will cover:

- The relationship between energy levels and chronic pain.
- Why pacing is an important tool in managing chronic pain.
- Three ways to apply pacing in your daily activities.
- Ways to avoid flare-ups and developing a flare-up plan.

Class Type	Date	Time	How to Register
